

HLTAID003

Provide first aid

COURSE OVERVIEW

- This course provides participants with the knowledge and skills to apply first aid procedures (including CPR), prior to the arrival of additional medical assistance. The content and practical scenarios covered in this course conform with the Australian Resuscitation Council (ARC) guidelines.

COURSE ENTRY REQUIREMENTS

- There are no formal entry requirements, but participants must have Sound, Language, Literacy and Numeracy skills.
- We recommend year 10 school completion or equivalent as a guide to the level required for this course

AUSTRALIAN COLLEGE OF SKILLS AND EDUCATION

- We ask that you wear clothing that is comfortable and not too restrictive to allow you to comfortably perform CPR and other practical activities.
- You must wear enclosed footwear at all times while training with us.

DURATION & ASSESSMENT

- This course is delivered and assessed face-to-face in a classroom based learning environment.
The course is one day of class-based delivery and one day of self-paced learning to complete a pre-course theory assessment.
 - 1 day (8.5 hours) face-to-face delivery (8 hours, plus 30 mins break)
Our course includes 3 components:
 - Pre-course theory assessment (approx 8-10 hours)
 - Theory and Practical training (face-to-face delivery)
 - Assessment for both knowledge & skills
- The theory & practical training & assessment components includes assessment in both adult and baby manikins and includes the use of:
- A Bronchodilator (asthma)
 - An auto-injector - EpiPen (anaphylaxis)
 - A defibrillator

POTENTIAL CAREERS

- This program has a very broad application in all sectors of the community and all workplaces and industry. It does not directly lead to a defined employment outcome in its own right, but is a component of a set of skills that can lead to employment or assist with maintaining conditions of employment.
- For example, all teachers and childcare workers and educators need to maintain currency, as do many other workplace First Aid and WHS positions.
