Certificate III in Early Childhood Education and Care

COURSE OVERVIEW

- This qualification addresses the skills and knowledge required to provide care for individuals and groups of children, and to plan activities facilitating their leisure and play, enabling them to achieve their developmental outcomes. This qualification reflects the role of workers in a range of early childhood education settings who work within the requirements of the

Education and Care Services National Regulations and the National Quality Standard.

- The course is fully accredited nationally recognised training.
- Under National Education and Care Regulations, to work in this industry a person must be studying toward or hold this qualification at a minimum.

AUSTRALIAN COLLEGE OF SKILLS AND EDUCATION

COURSE ENTRY REQUIREMENTS

- There are no formal pre-requisites in the training package for course entry, however ACSE sets a number of its own entry requirements.
 - Be aged 18 years or over
